ABOUT US

Welcome to British Learning – Your Trusted Global Partner in Education

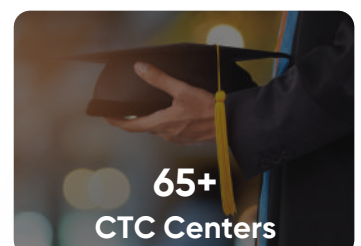

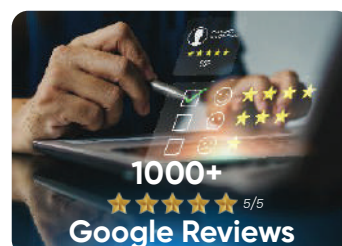

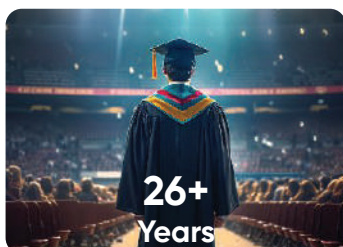

BritishLearning.UK is one of the world's most trusted EdTech platforms, dedicated to helping students, teachers and institutions prepare for the future. With over **26 years of experience** in education, British Learning is registered in India and the United States, with a subsidiary presence in the United Kingdom, and is trusted by learners across **35+ countries**.

Today, thousands of students actively study through the British Learning Ecosystem, accessing Career-Focused Certifications, Teacher Development Programs, Research Initiatives and Internationally Oriented Learning Pathways. The organisation operates through a growing network of **65+ Certified Training Centres**, combining the power of **technology with local academic support**.

What sets British Learning apart is its strong academic ecosystem, supported by an Advisory Council, an experienced Academic Team, and a Research Network comprising Doctors, Researchers, PhD Scholars and Industry experts.

With a focus on communication, career readiness, research, leadership and future skills, British Learning continues to help learners move beyond traditional education and succeed in an increasingly global and competitive world.

British Learning – Excellence, Integrity, Global Reach.

AWARDS AND RECOGNITIONS

Teachers get lesson in helping kids deal with post-Covid pandemic trauma, mental issues

Mohammed Wajihuddin / Mumbai Mirror / Jan 29, 2023, 10:10 IST

[SHARE](#) [AA](#) [FOLLOW US](#)

Over two years of the pandemic has badly affected the mental health of several students. Many lost their parents or witnessed the deaths of close relatives due to Covid. Remaining confined to their homes and learning online for two years too left many kids depressed and traumatic. Helping such kids to cope with post-traumatic stress disorder (PTSD) and bringing them out of shock and pain is key and teachers

MUMBAI: Over two years of the pandemic has badly affected the mental health of several students. Many lost their parents or witnessed the deaths of close relatives due to Covid. Remaining confined to their homes and learning online for two years too left many kids depressed and traumatic. Helping such kids to cope with post-traumatic stress disorder (PTSD) and bringing them out of shock and pain is key and teachers

British Learning Trains 250 Healthcare Workers In 9 African Countries Jointly With Rotary International

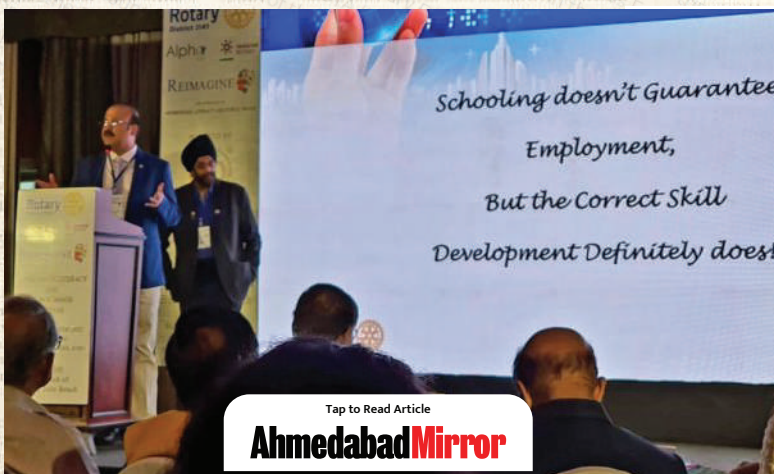

Health

July 5, 2024 Admin Leave A Comment

New Delhi (India), July 5: British Learning UK one of the Leading Education Companies in the World recently completed training 250 Health Care Workers in African Countries. British Learning is trusted by students in 35+ Countries for over 25 years. As a part of its CSR efforts for African Countries British Learning UK offered the Health Care Workers in these 9 Countries; a comprehensive Post Graduate Diploma in Nutrition absolutely free. The 250 Health Care Workers were from Nigeria, Kenya, Ghana, Egypt, Liberia, Botswana, Algeria, Zambia and Tanzania. The total cost of the courses offered completely free of cost by British Learning UK was GBP 50,000/-

This Social Initiative was jointly carried out by one of the biggest NGO's in the world Rotary International. Rotary International is trusted by the Bill and Melinda Gates Foundation for its Social Initiatives. Rotary International has worked tirelessly to End Polio in the World.

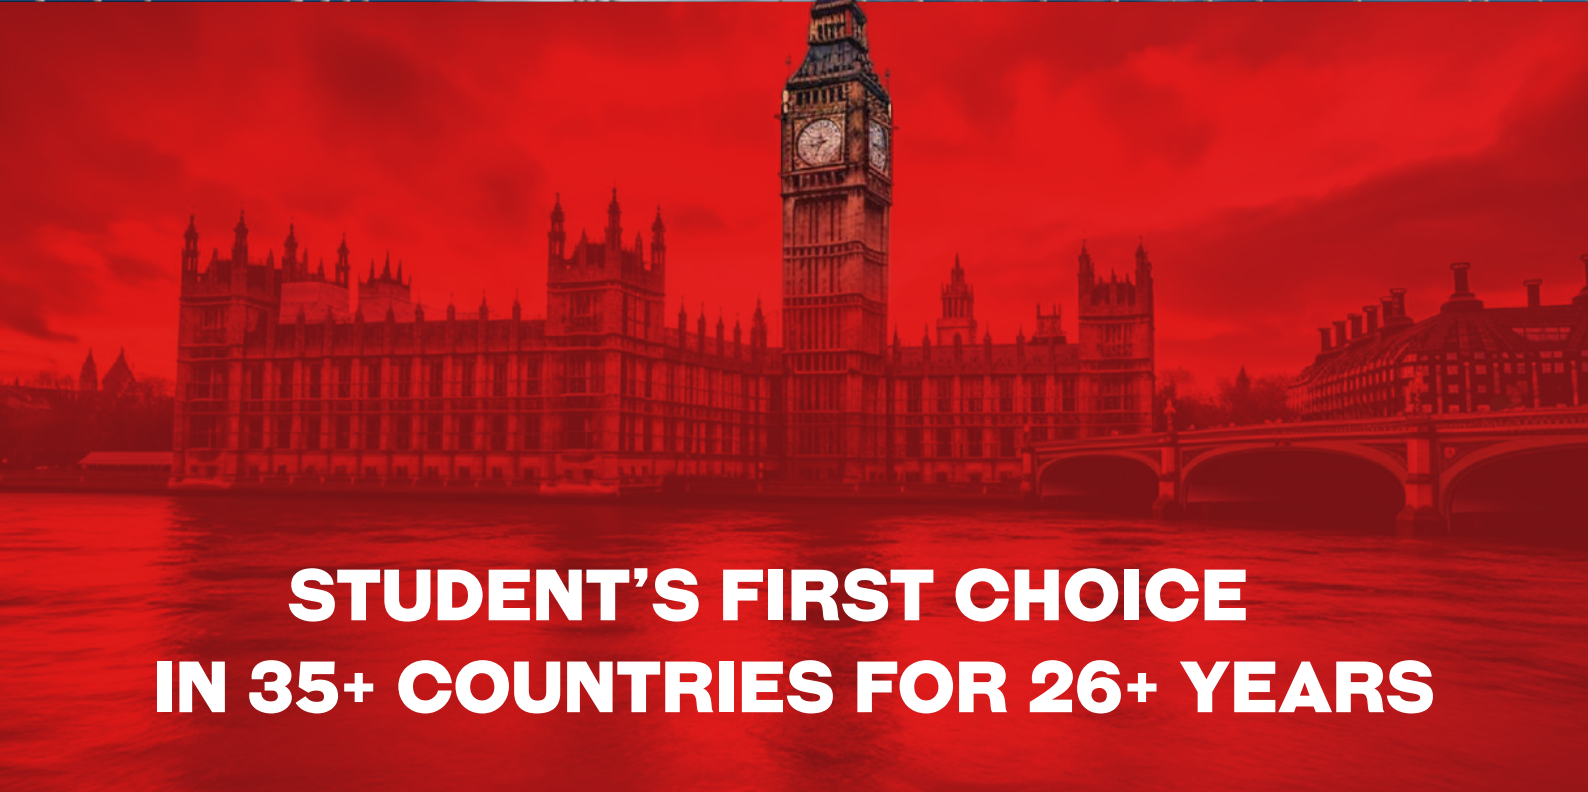

British Learning UK was actively supported by Rotary District 3141 from India and Rotary District 9141 from Nigeria. Senior Rotary Leaders from ROTA (Rotary in Africa) also helped to ensure that genuine beneficiaries in Africa take advantage of this Social Initiative.
